

# Really quiet with high suction power

This dry vacuum has a number of convincing features and is ideal where quietness is appreciated: In hotels, restaurants, shops, stores, etc.

**Cable wrap:**

The 12-metre power cable can be wound round the cable wrap integrated in the motor head.

**Cable hook:**

A fold-out hook is an alternative cable holder if you have to move quickly to a different cleaning location.

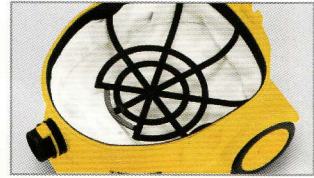

**Foot switch:**

Large, rugged ON/OFF foot switch positioned for ease of operation.

**Main filter basket:**

Large permanent main filter made of washable nylon guarantees optimal dust retention. Unit can therefore be used with or without a filter bag.

**Extra hygiene:**

HEPA filter cartridge is available as an optional extra.

**Floor tool holder:**

During work breaks, the floor tool can be secured in a holder provided on the container. Machine and tools can be stored in a minimum of space.

**T 12/1**

- Fleece filter technology
- Power socket for ESB 28 power brush
- Infinitely variable suction power control on handle
